

INTRODUCING:

OUTDOOR SCHOOL FOR HOMESCHOOLED STUDENTS! GRADES 3-8

May 5-8, 2020

Utilizing the forest, streams, night skies, and fresh air, our curriculum presents natural science, environmental education, wilderness skills, and historical topics. Courses and activities include subjects in the disciplines of astronomy, ecology, geology, history, conservation, and nature study. Students participate in hands-on learning and outdoor recreation while developing important social and life skills in a fun and exciting environment.

OVERNIGHT PROGRAM Tuesday - Friday

Participants in grades 3-8 must stay in a cabin with an adult, at a ratio of no more than 8:1.

Cabin groupings could be family groups or groups of combined families.

Overnight Program Participant Rate: \$210 (Meals, lodging, classes, free time, and evening program.)

Adult Rate: \$90 (Meals and lodging.)

Younger siblings may stay in the cabin with their parents but will not participate in the program or classes.

Non-Participant Sibling Rate: \$90 (Meals and lodging.) Children Under 3: Free

DAY PROGRAM Wednesday and Thursday

Participants in grades 3-8 may participate in the day-only program 8:00 - 4:30 both days.

Day Program Participant Rate: \$80

(Lunch, classes, and free time.)

Adults and Non-Participant Sibling Rate: \$30

(Lunch both days.)
