

# OUTDOOR ADVENTURE

Session 1: June 25-30 | Session 2: July 23-28

## EMBRACE ADVENTURE IN THE SIERRAS!

Outdoor Adventure is a highly active week that includes on- and off-site backpacking, camping, and backcountry skill building and is designed for campers who want to learn and grow through total immersion in nature.

Session 1 will be geared toward high school students that are seeking more challenge and leadership development in the wilderness. Session 2 will provide an opportunity for middle and high school students at all backpacking levels to learn and grow as outdoor adventurers. We can't wait for a transformational week with you!
